If there are other places in Ghana you would like to visit during your stay please let us know and we will advise on this and do our best to make it happen for you.

Payment and booking

Your invoice for the **£200 deposit** is attached. Please pay this in good time as your booking is not secured until payment is received.

The balance (including payment for any optional extras) is payable by **1 June 2023**. Your place on the tour is not confirmed until we have received full payment.

Visas

UK, US and EU citizens need a visa to visit Ghana. The temporary tourist visa costs £60 or \$60, lasts 3 months and we recommend you apply around 8 weeks before you plan to visit.

You apply online via the Ghana High Commission in your country

If you're in the UK <https://ghanahighcommissionuk.com/gcn/VisaForm.aspx>

We will help you make sure you have all the paperwork you will need to complete your visa which includes:

1. Letter of invitation
2. Itinerary and GPS co-ordinates of the places you will be staying
3. Ghana card ID and phone number for someone who will be responsible for you while in Ghana
4. Evidence of Covid vaccination (we can't provide this but you should be able to download it from the NHS app)

Health

Ghana – especially the forested areas around New Koforidua – has malarial mosquitos so you will need to take a course of anti-malarial tablets.

You also need to be vaccinated against covid 19, hepatitis A, polio, tetanus, typhoid and yellow fever.

Flights

Several international airlines fly into Accra including British Airways, KLM, Delta, TAP Portugal. Your booking includes airport pick up and drop off so please let us know as soon as you have booked your flights so we can make sure we are there to collect you

Travel Insurance

Travel insurance is mandatory for this trip. A standard single trip or multi trip insurance policy that includes Ghana is fine. Shortly before the trip we will ask you to send us details of your travel insurance as well as an emergency contact in your home country. If you would like any advice on booking travel insurance please contact us.

Currency

The currency is the Ghanaian cedi. You probably won't be able to change your money into cedis before you arrive in Ghana but as all accommodation, food and transport is covered you will only need a small amount of spending money. There are plenty of ATMs around the country which take Visa and Mastercard debit or credit cards so we recommend you just use these when needed.

WiFi and Electricity

WiFi is fairly unusual – most Ghanaians use mobile data - but if you have a foreign smartphone data roaming charges can be punishingly expensive so we recommend turning off data before landing in Accra.

There is WiFi in your accommodation in Accra; WiFi in the bar area but not the rooms at Oasis in Cape Coast but no WiFi at New Koforidua.

Electrical sockets in Ghana are the same three pin plugs as UK ones so if you are joining us from the UK your plugs for chargers, hairdryers etc will work without an adaptor. If you are from outside the UK you will need an adaptor.

Language

The chief language in Ghana is Twi however there are significant regional differences so the lingua franca for most Ghanaians is English and a significant number of schools teach lessons in English. All public signage is in English.

If you have any questions please don't hesitate to contact us:
